

## Photo Discussion Questions

Look at each of the photos from Rwanda. These are images of life in rural villages. After looking at the images discuss the following questions.

> What did the images suggest to you about what life in Rwanda is like? Consider any social, environmental and/or economic factors you observed that may impact people's lives.

*Discussion notes:*

> Was there anything in the photos that surprised you? Anything that you did not expect to see?

*Discussion notes:*

> In what ways might the images be misleading about what life in Rwanda is like?

*Discussion notes:*

> If you were to create a set of photos to represent life in a typical Australian community, what images would you use? How are these similar or different to the images of Rwanda?

*Discussion notes:*

> After seeing the photos, what questions do you have about what life in Rwanda is like?
